POLICY REGARDING ACCESS TO STUDENTS RECORDS

ACCESS TO RECORDS AND CONTESTED INFORMATION:

Any student has the right to request a review of information contained in his/her file. A parent or guardian of a dependent minor, while still a dependent, will also have access to student records. Such requests must be made in writing, specify the record to be reviewed, and must be directed to the school manager in question. If a student, parent or guardian of a dependent minor, desires to contest any information which he/she believes is contained in the students records, the student, parent or guardian of a dependent minor, must specify which information is being contested in writing, together with the reasons why the student, parent or guardian of a dependent minor, considers the information to be inaccurate and any supporting documentation, and direct it to the school manager.

If a request for a review of records is received, the records (or exact copies of the records) shall be provided within a period of two (2) weeks from the receipt of the request, together with a staff person to interpret the records. A student, parent or guardian of a dependent minor, will not be permitted to review any records in the absence of a school official. In addition, the student may not review any third party (such as parent's income tax return) without first submitting written permission from that party in order for the student to review the records. In cases where as student, parent or guardian of a dependent minor, contests in writing the accuracy of information in the students file, the information will be reviewed by the school, together with the student's, parent or guardian of dependent minor's, request and any supporting documentation submitted. The school will then make a determination of the accuracy of the information and shall notify the student or parent or guardian of a dependent minor, in writing of this determination within two (2) weeks of the receipt of the notice contesting the information. The school's determination is FINAL. If the determination agrees with the student's or parent or guardian of a dependent minor's notice contesting the information, the information shall be corrected accordingly.

If the determination does not agree with the student's, parent or guardian of a dependent minor's, notice contesting the information, a copy of the student's, parent or guardian of dependent minor's, notice shall be attached to the relevant information released to the student, parent or guardian of a dependent minor, or to any third party.

FINANCIAL AID

Financial aid is available for those who qualify and depends on the student's financial status for the previous year. The maximum financial aid is available for the student's tuition; discount will never exceed or be equal to the tuition cost. Be prepared to make monthly payments as stated in the enrollment agreement to keep paying off the tuition during the enrollment time. The institution participates in the PELL GRANT PROGRAMS, which is the money that does NOT need to be paid back. Also, the school participates in the Direct Loans, which is the money you will borrow from the Department of Education and NEED TO PAID BACK. **NOTE:** When a student completely withdraws from Niles School of Cosmetology prior to completing 60% of any given term, a portion of the Title IV financial aid grant and loan funds received is considered to be an overpayment, and must be returned to those federal aid programs. Please check the R2T4 Policy.

Student Eligibility

Our most basic eligibility requirements are that you must:

- demonstrate financial need (for most programs; to learn more, visit www.studentaid.ed.gov/funding),
- be a U.S. citizen or an eligible noncitizen,
- have a valid Social Security number,
- register (if you haven't already) with Selective Service, if you're a male between the ages of 18 and 25,
- maintain satisfactory academic progress standards,
- Show you're qualified to obtain a postsecondary education by
 - having a high school diploma or General Educational Development (GED) certificate;
 - meeting other federally approved standards the state establishes; or
 - completing a high school education in a homeschool setting approved under state law.

The law suspends aid eligibility for students convicted under federal or state law of sale or possession of illegal drugs. The period of ineligibility varies and depends on whether the conviction was for sale or possession, and whether the student had previous offenses. The student regains eligibility when the period of suspension ends, or in some cases, only when the student completes an acceptable drug rehabilitation program. If you have a conviction or convictions for these offenses, call 1-800-4FED-AID (1-800-433-3243) to find out how, or if, this law applies to you.

Incarcerated persons have limited eligibility for federal student aid. An incarcerated person is eligible for a Pell Grant *only* if he or she is incarcerated in a nonfederal or non-state penal institution, such as local or county jail.

Types of Federal Student Aid

Federal Pell Grants

A Federal Pell Grant, unlike a loan, does not have to be repaid. Generally, Pell Grants are awarded only to undergraduate students who have not earned a bachelor's or professional degree.

Pell Grants are usually a foundation of financial aid, to which aid from other federal and nonfederal sources might be added.

Pell Grants for the 2019-2020 award year (July 1, 2019 to June 30, 2020) will depend on program funding. The maximum Pell Grant for the 2019-2020 award year is \$6,195.

How much you get will depend not only on your EFC (Expected Family Contribution) but also on your cost of attendance, whether you're a full-time or part-time student, and whether you attend school for a full academic year or less. You may receive only one Pell Grant in an award year, and you may not receive Pell Grant funds from more than one school at a time.

Niles School of Cosmetology will credit the Pell Grant funds to your school account. The school will tell you in writing how and when you'll be paid and how much your Pell Grant will be. Payments are made according to payment periods during the academic year.

An award year corresponds to the period from July 1 of one calendar year to June 30 of the following calendar year. This period was chosen because it corresponds to a traditional 'academic' year at a college or university. A student's financial aid is based upon the amount of their program (and educational costs), which will be covered during an award year.

A student must complete a federal aid application for the award year in which a payment is to be made. This is why students whose attendance crosses over June 30 of any year must fill out a new application.

However, students at clock-hour schools do not attend according to traditional semester increments. A Cosmetology student may complete his or her program in less than one calendar year, but his or her total costs must be paid within that calendar year, instead of being spread over four years.

To be fair to such students, it was decided that (at a minimum) 900 clock hours of instruction corresponds to one academic year at a traditional college or university, so we have defined this as our 900 Academic Year for Full-Time and Part-Time students. Our Full-Time Cosmetology program has a completion time of

about 12 months and our part-time cosmetology program (of which we offer day and evening programs and has a longer completion time of about 19 months) and are both divided into two 'academic years' because 1500 hours crosses over the first 900 hour 'academic year' into the next 900-hour 'academic year'. The full-time and part-time schedules for our cosmetology program, with a 900 clock hour academic year is divided as follows: 0-900 hours (academic year 1) and 901-1500 hours (academic year 2). Our Part-Time and Full-Time Cosmetology Teacher Program has a 900 academic year and is divided into three payment periods as 0-450, 451-900, and 901-1000. since its typically completed in about 8-13 months.

'Payment periods' are determined by the school's academic year length. One 'payment' period corresponds to one half of an academic year (like a semester at a College). Thus a student's first academic year of 900 hours is divided into two payment periods, 0-450 hours and 451-900 hours for full-time and part-time, which corresponds to a student's first and second 'semester.' The third and fourth payment periods 901-1200 hours and 1201-1500 hours for full-time and part-time which corresponds to the second 'academic year' of a two-year program. Full-Time and Part-Time can receive 2 Pell Payments and 2 Direct Loan payments in the second academic year. The maximum Pell grant for 2019-2020 for the second year is also \$4,130 for full-time and part-time.

Say a student is eligible for \$6,195 in Pell grants from 2019-2020 award year in his or her first academic year. When can the payments be made? Because an academic year is divided into two payment periods, the payment for each academic year must be also divided by 2, or two payments, one for \$3,098 and one for \$3,097. The student is eligible for the first payment (which covers 0-450 hours for full-time and part-time when they start.

The Pell funds will be sent to your school. Your Pell money must first be used to pay for your tuition and fees. The school will notify you in writing whenever it receives the Pell funds and will credit your account only if the student is maintaining Satisfactory Progress or Probation.

Whenever a school credits FSA program funds to a student's account, and those funds exceed the student's allowable charges, an FSA credit balance occur. The Niles School of Cosmetology must pay the excess FSA program funds (the credit balance) directly to the student as soon as possible, but no later than 14 days after the date the balance occurred on the student's account. If an FSA credit balance occurs, the student will be notified in writing and receive a refund check, unless the student gives the school written permission to hold the funds until later in the enrollment period.

For the next payments, however, two conditions must be met:

- a. The student has entered the payment period according to the hours they have actually earned (the second payment cannot be made until the full-time or part-time student has actually completed more than 450 hours and has thus entered the 451 to 900 hour period, etc
- b. The student must be determined by the school to be making satisfactory progress or considered making satisfactory progress (on probation) to be an eligible student.

Direct Loan Program

This program consist of what are generally known as Direct Loans (for undergraduate and graduate students) and PLUS Direct Loans, for the parents of dependent undergraduates. The lender is the U.S. Department of Education (the Department) rather than a bank or other financial institution.

Direct Loans are either subsidized or unsubsidized. You can receive a subsidized loan and an unsubsidized loan for the same enrollment period.

A *subsidized loan* is awarded on the basis of financial need. You won't be charged any interest before you begin repayment or during authorized periods of deferment. The federal government "subsidizes" the interest during these periods while you are in school at least half-time, and during a period of *deferment* (a postponement of loan payments). The school determines the amount you can borrow, and the amount may not exceed your financial need. If you receive a Direct Subsidized loan that is first disbursed between July 1, 2019 and June 30, 2020, you will be responsible for paying any interest that accrues during your grace period. If you choose not to pay the interest that accrues during your grace period, the interest will be added to your principal balance. The interest rate of subsidized loans for which the first disbursement is on or after July 1, 2019 have a 4.53% fixed interest rate. There is a loan fee of 1.059% and will be proportionately

deducted from each loan disbursement.

An *unsubsidized loan* is not awarded in the basis of need. You'll be charged interest from the time the loan is disbursed until it's paid in full. The school determines the amount you can borrow by considering the cost of attendance and other financial aid you receive. For an unsubsidized loan, you are responsible for paying the interest during all periods. If you choose not to pay the interest while you are in school and during grace periods and deferment or forbearance periods, your interest will accrue (accumulate) and be capitalized (that is, your interest will be added to the principle amount of your loan). The interest rates of unsubsidized loans have a 4.53% fixed interest rate. There is a loan fee of 1.059% and will be proportionately deducted from each loan disbursement.

NOTE: *If your interest is capitalized, it will increase the amount you have to repay. You can choose to pay the interest as it accumulates; if so, you'll repay less in the long run.*

To get this loan you need to apply using the FAFSA or Renewal FAFSA, just the way you would for other federal student aid. Then, you need to complete Direct Loan entrance counseling and Direct Loan MPN electronically via the Student Loans.gov Web site at <https://studentloans.gov>. The promissory note is a binding legal document; when you sign it, you're agreeing to repay your loan under certain terms. Read the note carefully and save it. It is very important to complete the Entrance Counseling and Master Promissory Note online, and fill out the Direct Loan Request Form and Rights & Responsibilities Summary Checklist-Entrance Counseling, which you must request the forms in the main office. The Direct Loans will not be approved and certified by the financial aid official until all required documents have been submitted to the main office.

The student is required to complete Exit Counseling before they graduate, or if they decide to withdraw from the program, a tool to ensure the student understands their rights and responsibilities as a student loan borrower and provides useful tips and information to help manage their loans by visiting the website: www.studentloans.gov

Federal student loan records of students and parents will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders, and institutions determined to be authorized users of the data system. Students and parents may view their loan record history by visiting www.nsls.ed.gov

If you're a dependent undergraduate student, you can borrow \$5,500 (no more than \$3,500 of this amount may be subsidized) if you're a first-year student enrolled in a program of study that is least a full academic year. If you're an independent undergraduate student or a dependent student whose parents are unable to get a PLUS Loan, you can borrow annually up to \$9,500 (no more than \$3,500 of this amount may be subsidized) if you're a first-year student enrolled in a program of study that is a least a full academic year.

You'll pay a fee of 1.059% percent of the loan, deducted proportionately from each loan disbursement. This fee helps reduce the cost of making these low-interest loans. After you graduate, leave school, or drop below half time enrollment, you have six months before you begin repayment. This period of time is called a grace period. Also, if you don't make your loan repayments when scheduled, you may be charged collection costs and late fees.

The loan funds will be sent to your school. Your loan will be disbursed in two installments. Your loan money must first be used to pay for your tuition and fees. If loan funds remain, you'll receive them by check, unless you give the school written permission to hold the funds until later in the enrollment period. The school will notify you in writing whenever it receives the Direct Loan funds and will credit your account only if the student is maintaining Satisfactory Progress or Probation. This notification must be sent to you no earlier than 30 days before and no later than 30 days after, the school credits your account. You may cancel all or a portion of your loan if you inform your school within 30 days after the date your school sends you this notice, or the first day of the payment period, whichever is later.

Direct PLUS Loans

Direct Plus Loans are loans your parents can take out to pay for education expenses if (Loans to Parents) you're a dependent undergraduate student enrolled at least halftime. The lender is the

U.S. Department of Education (the Department) rather than a bank or other financial institution. Direct PLUS Loans have a fixed interest rate of 7.08%. For a Direct PLUS Loan, your parents must complete a Direct PLUS Loan electronically. After the school completes its portion of the application, it must be sent to the U.S. Department of Education for evaluation. Parents are encouraged to have their dependent children file a FAFSA, so their children can receive the maximum student aid they're eligible for.

The parents have to pass a credit check. If they don't pass, they might still be able to receive a loan if someone, such as a relative or friend who can pass the credit check, agrees to endorse the loan and promises to repay it if your parents don't. Your parents also might qualify for a loan if they don't pass the credit check if they can demonstrate that extenuating circumstances exist. For them to borrow for you, you must meet the general eligibility requirements for federal student aid, and your parent must also meet some of these general requirements. For example, they must meet citizenship requirements or be eligible no citizens and may not be in default or owe a refund to any FSA program.

The parents can borrow the yearly limit on a Direct PLUS Loan, which is equal to your cost of attendance minus any other financial aid you receive. For example, if your cost of attendance is \$6000 and you receive \$4,000 in other financial aid, your parents could borrow up to--but no more than--\$2,000.

The loan funds will come first to your school. Your loan will be disbursed in two installments. Your loan money must first be used to pay for your tuition and fees. If any loan funds remain, your parents will receive the amount as a check, unless they authorize the amount to be released to you or to be put into your school account. Any remaining loan funds must be used for your education expenses. The school will notify you in writing whenever it receives the Plus Loan funds and will credit your account only if the student is maintaining Satisfactory Progress or Probation. This notification must be sent to you no earlier than 30 days before, and no later than 30 days after, the school credits your account. You may cancel all or a portion of your loan if you inform your school within 30 days after the date your school sends you this notice, or the first day of the payment period, whichever is later.

You'll pay a fee of 4.236 percent of the loan, deducted proportionately from each loan disbursement. For a Direct PLUS Loan, this fee helps reduce the cost of making these low-interest loans. a portion of this fee goes to the federal government, and a portion goes to the guaranty agency to help reduce the cost of the loan. Generally, repayment must begin within 60 days after the final loan disbursement for the period of enrollment for which you borrowed or you may request to delay payments six months after student is no longer enrolled at least half time with interest accruing. The interest may be paid during the school period or capitalized. There is no grace period for these loans. This means interest begins to accumulate at the time the first disbursement is made. Your parents must begin repaying both principal and interest while you're in school. Also, if your parents don't make their loan repayments when scheduled, your parents may be charged collection costs and late fees.

Maximum eligibility period to receive Direct Subsidized Loans

There is a limit on the maximum period of time (measured in academic years) that you can receive Direct Subsidized Loans. In general, you may not receive Direct Subsidized Loans for more than 150% of the published length of your program. This is called your "maximum eligibility period" (see Satisfactory Academic Progress Policy).

For example, say you are enrolled in our Cosmetology Program, which is 1.66% program, a student would not be eligible to receive subsidized loans in excess of 2 and 1/2 academic years (150% limit). Student received subsidized loans for one full academic year in a previous enrollment. Student has 1 1/2 academic years remaining of subsidized loan eligibility (\$1,750).

Your maximum eligibility period is based on the published length of your current program. This means that your maximum eligibility period can change if you change programs. Also, if you receive Direct Subsidized Loans for one program and then change to another program, the Direct Subsidized Loans you received for the earlier program will generally count against your new

maximum eligibility period. For additional information, please go to ww.studentloans.gov and complete the entrance counseling.

Supplemental Educational Opportunity Grants (SEOG) payments are additional grant funds disbursed according to student need. Eligibility is determined by: lowest expected family contributions, expected Pell disbursement for the award year, and Satisfactory Academic Progress. SEOG is awarded on a need basis.

Students are reminded that financial aid is awarded only to those who qualify. The monetary amount and disbursement dates may vary according to changes in federal regulations and funding levels for the programs, as well as changes in the student's status. The school may waive part of all remaining balance owed upon a student's completion of the course. Each such case is assessed individually, and the determination of the amount to be waived (if any) is based upon the remaining balance owed and the student's need.

FEDERAL RETURN OF TITLE IV FUNDS (R2T4) POLICY

If you drop out during the first 60% of the payment period, you must repay a percentage of federal financial aid you received.

The *Return of Title IV Funds* (Return) regulations do not dictate an institutional refund policy. Instead, a statutory schedule is used to determine the amount of Title IV funds a student has earned as of the date he or she ceases attendance. The amount of Title IV program assistance earned is based on the amount of time the student spent in academic attendance; it has no relationship to the student's incurred institutional charges.

For withdrawals during the first 60% of the payment period, the student earns a percentage of aid equal to the percentage of the period the student was enrolled as of the withdrawal date. If a student was enrolled for more than 60% of the payment period, all eligible aid for that period has been earned.

The Return regulations do not prohibit a school from developing its own *refund policy* or complying with refund policies required by state or other outside agencies. Although an institutional, state or agency refund policy will determine the charges a student will owe after withdrawing, those policies will not affect the amount of aid the student has earned under the Return calculation. Please check the *Refund Policy* in the school's catalog.

The concept of "earned" and "unearned" federal financial aid is at the heart of the new law. According to this concept, a student "earns" his or her financial aid award in proportion to the number of days in the payment period completed prior to the student's complete withdrawal. The percentage of enrollment time completed determines the percentage of "earned" aid. For example, if a full-time student (32 hrs. a week) attends for three weeks completing 120 scheduled clock hours of a 450-hour payment period, the percentage of earned aid is 26.67%. The remaining 73.33% of the aid received is "unearned", and must be returned to the federal financial aid program/s it came from.

When a student completely withdraws from Niles School of Cosmetology during the first 60% of any payment period, a portion of the Title IV financial aid grant and loan funds received is considered to be an overpayment, and must be returned to those federal aid programs.

The student's official complete withdrawal date will be determined by Niles School of Cosmetology as:

- The date the student began the Niles School of Cosmetology withdrawal process (the date that the student officially notified an appropriate school official of his/her intent to completely withdraw), or
- If the student ceases attending for more than (14) fourteen days from his/her last day of physical attendance at the school without notifying Niles School of Cosmetology.

When a student completely withdraws from Niles School of Cosmetology during the first 60% of the payment period, he or she will be required to repay a portion of the unearned aid received. The student's repayment will not exceed more than half of grant monies originally received, and each student who owes a repayment will be notified in writing of the requirement to repay Title IV funds. The student will then have 45 days to repay or to make satisfactory arrangements to repay the funds. The failure of a student to repay unearned Title IV funds or make satisfactory arrangements within the 45-day period will be reported to the National Student Loan Database System (NSLDS). This action will result in the termination of eligibility for federal financial aid at any institution, not just at Niles School of Cosmetology. If a student completely withdraws and is more than 60% of the payment period, no refund is required as the student is considered to have earned 100% of their aid awarded for the term. Students with questions about the R2T4 regulations should see the Financial Aid Administrator.

CONSEQUENCES OF WITHDRAWING FROM ALL OR PART OF YOUR COURSE LOAD

If you withdraw from all or part of your course load:

- All or part of your financial aid may be reduced or canceled;
- You must begin repaying your student loans if you remain less- than half time when your grace period expires;
- You may not meet the Satisfactory Academic Progress (SAP) requirements for financial aid eligibility, and so future aid eligibility may be jeopardized;
- You may have a balance due on your account because your financial aid awards may have to be adjusted;
- A hold will be placed on your academic records at Niles School of Cosmetology until you repay any fees you owe to the school as a result of your withdrawal or hour drop. This means you won't be able to:
 - 1) continue the program, or
 - 2) obtain a copy of your academic transcript; and

Your credit history may be adversely affected when we report your past due account to an outside credit agency; repeated withdrawals and hour drops may cause you to reach loan aggregates more quickly and, therefore, reduce your ability to borrow or to be eligible for other aid programs in the future.

WHAT HAPPENS WHEN YOU WITHDRAW FROM ALL HOURS

Once you are at a paid fee status, you must complete more than 60% of the payment period or you may be required to repay all or part of the financial aid disbursed to you for the payment period.

If you need to withdraw completely for the term...

1. Obtain a withdrawal form from your college office;
2. Complete and submit the withdrawal form to the main office at the school for approval.

What happens next...

Once your withdrawal form has been processed, your academic record is updated. If your withdrawal is effective during the refund period, the Office of Financial Aid is notified and your charges will be reassessed. Furthermore, all your financial aid is reversed from your account.

If you have federal financial aid...

The school will determine the amount of financial aid for which you are eligible (EARNED) and the amount of financial aid for which you are NOT eligible (UNEARNED). Both you and the school have a responsibility to return the financial aid for which you are NOT eligible.

The available refund from school charges, if any, will be used to repay the financial aid that you owe. If the refund from school charges is insufficient to cover the amount of financial aid you owe, then you may receive a bill from the school.

To calculate percentage of the course completed, divide the number of scheduled clock hours completed as of withdrawal date by the payment period 450 (or 300) times 100 for part-time and full-time.. The following are different examples for different situations:

Example #1 (0-450 hrs.): The student decided to withdraw from the school at 144 scheduled clock hours. The total clock hours in payment period is 450 hours for full-time or part-time:

$$144 / 450 \times 100 = 32\%$$

68% unearned

Example #2 (901-1200 hrs.): The student decided to withdraw from the school at 1100 scheduled clock hours. The total clock hours in payment period is 300 hours for full-time or part-time:

$$1100 - 450 \text{ (1st period)} - 450 \text{ (2nd period)} = 200 \text{ hrs completed}$$

$$200 / 300 \times 100 = 66.66\%$$

All aid is earned

The requirements for Title IV program funds when you withdraw are separate from any refund policy that the school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. The school may also charge you for any Title IV program funds that the school was required to return. If you don't already know what the school's refund policy is, you can ask the School's Financial Aid Director for more information. The School's Financial Aid Director can also provide you with the requirements and procedures for officially withdrawing from the school. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

VERIFICATION POLICY

Verification is a process which enables a school to confirm the accuracy of information used to determine a student's eligibility for federal student assistance. A student's file may be selected for verification by either the school or by the US Department of Education.

If a student's file has been selected for review under the verification process, the following material will be requested from the student:

1. A completed Verification Worksheet, signed by the student (and parent when applicable)
2. A copy of the U.S. Income Tax Return (IRS Form 1040, 1040A, 1040EZ, 1040TEL, 1040PC) for the base year filed by the student. Married students must also provide their spouse's tax return. Dependent students must also provide their parent's return. IRS Form 1722 listing the taxpayer's information is acceptable in lieu of 1040.
3. Any other information deemed necessary by the institution including, but not limited to social security benefit documentation, marital settlement agreements, divorce decrees, or W-2 forms.
4. A copy of an IRS Tax Return Transcript from the U.S. Internal Revenue Service will be required unless the student (and parents where applicable) have properly used the IRS Data Retrieval Tool to import tax information into the student's FAFSA record. A Tax Return Transcript will serve to confirm accuracy of income and other tax related amounts that the student reported on his/her FAFSA application if the IRS/DRT has not been used.

Obtaining Tax Return Transcripts

Students can obtain tax return transcripts:

- a. Via the Internet at www.irs.gov
- b. Via phone by calling 1-800-908-9946
- c. Via mail or fax by completed IRS Form 4506T-EZ (form available in school office)

Internet and phone requests are easy and tax return transcripts will be mailed to the tax filer's address within 5-10 days. Submission of Form 4506t-EZ can authorize mailing of the transcript to a third party (such as an institution) but will take approximately 30 days. Students must provide the above information to the institution within 30 days once the student has been selected for verification and no later than 120 days of the student's last day of attendance or before the respective award year funding processes close in accordance with dates published annually in the Federal Register, whichever is earlier. Failure to complete the verification requirements on a timely basis may result in forfeiture of any federal aid awarded during the year.

The institution will withhold financial aid payments from any student who has not completed the verification requirements within the prescribed deadlines.

Students will be notified by the institution if any discrepancies are discovered during the verification process. Students may be required to correct any erroneous information by using the ISIR correction process at www.fafsa.ed.gov. The verification process is not considered to be completed during periods of corrective action. Corrections generally include a recalculation of the student's EFC, and electronic resubmission of applicant information through the FAFSA Central Processor.

If a student's award changes as a result of the verification process, the student will be counseled and informed of how the change affects his/her packaging and financial obligations to the institution.

To protect the integrity of federal student assistance programs, institutions must enforce verification policies. It is the student's responsibility to comply with any and all requests by the institution for verification material, within prescribed deadlines.

In the event this verification process identifies that a student received an overpayment of federal aid, the student will be required to refund that overpayment promptly. The student will be ineligible for any future federal aid until any and all amounts owed are repaid. If the student fails to repay any refund due, or if the institution determines that the student may have engaged in fraud or misrepresentation regarding the federal aid process, the student will be referred to the U.S. Department of Education for further investigation.

Students will forfeit their right to federal assistance for non-compliance with verification policies.

CREDIT BALANCE POLICY

A credit balance results when the total of the credits posted to a student's account (e.g., payments, loan disbursements, scholarships, etc.) exceeds the total of the charges applied or applicable to the account for a specific payment period. A credit balance eligible for a refund is one where all the applicable charges and credits have been posted to the account and his or her eligibility for such funds has been reviewed and confirmed or adjusted based on current eligibility, enrollment or any other applicable conditions. Anticipated funds, including anticipated financial aid, are not considered credits to a student's account until the funds have actually been disbursed to the account. Accounts of students on a Payment Plan are not eligible for a refund unless the Payment Plan has been completed and paid in full, and payments exceed the applicable charges. Credit balances will be refunded within 14 days.

LOA refers to the specific time period during an ongoing program when a student is not in academic attendance. It does not include nonattendance for an institutionally scheduled break in a student's program. A leave of absence must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal requiring a school to perform a Return calculation. (Please check the LOA Policy)

The Niles School of Cosmetology will approve three (3) unscheduled absences to a student in the event of the death of an immediate family member. For this policy, an immediate family member is defined as one of the following: parent, spouse, child, sibling, or grandparent. This determination is FINAL. No earned hours will be deducted, but if a student cannot demonstrate that he/she was present or engaged in a learning activity, the student may not receive credit for that time.

Any changes shall be published in an updated version of the catalog and/or posted on the bulletin board, as well as each student will be given a copy of the change to be signed by the student, and to be put into the student's school file.

RE-INSTATEMENT FEE

Any student who is considered a withdrawal from school records (being absent for 14 consecutive days, including Sunday, Monday and Tuesday) will be charged a \$100.00 re-instatement fee. This \$100.00 re-instatement fee is NOT a one-time fee. Any student, who is not reinstated within 180 days since their last day of attendance, will need to sign a new enrollment agreement. A deposit will be required of no less than \$500.00.

EXCUSED AND UNEXCUSED ABSENCES

Students are advised that it is important to attend school at a regular basis according to their enrollment agreement class schedule. A student can request a leave of absence up to (60) days or a medical leave of absence up to 180 days including any prior leave of absence within a (12) month period (See Leave of Absence policy). Any student who has a valid excuse (medical, court, etc.) can make-up their hours. Any student with an unexcused absence will not be able to make-up their hours. All excuses will be placed in the student's file. If the completion date has fallen beyond the date which is stated on the student's enrollment agreement, the institution may charge the student an hourly fee for extra instruction needed to complete his/her course (Please see the Enrollment Agreement for hourly fee). All students who do not complete the course within 150% of the normal completion time will be considered NOT maintaining Satisfactory Progress and will be dropped.

STUDENT WITHDRAWAL PROCESS

Official Withdrawal: When a school owner, school office administration, or instructional staff member receives a request from a student who decides to drop for the program, the student should write a letter stating the reason for requesting it. If the school owner, school office administration, or instructional staff member receives a phone call from the student requesting to be dropped, the school owner, school office administration or instructional staff member is to record the date the student made the request and record the reasons why. If the student is terminated from the school for violation of school rules or other reason, the school owner, school office administration, or instructional staff member is to record the reason why the student has been terminated. All required documentation must be turned into the school office administration for review and processing.

Unofficial Withdrawal: Students who miss 14 consecutive days will be dropped from the program. Also, any student who does not return from an approved Leave of Absence on the date they are scheduled to return shall be dropped. The school owner, school office administration, or instructional staff member must turn in all required documentation to the school office administration for review and processing.

SATISFACTORY ACADEMIC PROGRESS POLICY

THE POLICY APPLIES TO ALL STUDENTS: The following Policy is consistently applied to ALL students enrolled at the school. It is printed in the catalog to ensure that **ALL STUDENTS RECEIVE A COPY** prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education. **The Satisfactory Academic Progress Policy found in this catalog also applies to all students who are receiving federal veterans' education benefits (GI Bill®), except that these veterans must adhere to more stringent requirements as defined in BOLD in this addendum.**

THE REQUIREMENTS ARE THE SAME FOR ALL STUDENTS: The attendance and academic requirements are the same for all students, whether the student receives financial aid or not. A student who is receiving TITLE IV funds must be maintaining satisfactory academic progress in attendance and academics in order to be considered eligible for their funds.

ATTENDANCE AND ACADEMIC REQUIREMENTS

1. **MAXIMUM TIME FRAME:** The maximum time frame for any student to complete the course in which they enroll is 150 % times the course length. For purposes of determining satisfactory progress, course length is defined as the minimum amount of calendar time necessary for the student to complete the course according to the student's schedule.

COURSE	MAXIMUM TIME ALLOWED	
	WEEKS	SCHEDULED HOURS
Cosmetology (Full-Time Days, 32 hrs/wk)-1500 Hours	70.31 Weeks	2250
Cosmetology (Part-Time Days, 20 hrs/wk)-1500 Hours	112.5 Weeks	2250
Cosmetology (Part-Time Nights, 20 hrs/wk)-1500 Hours	112.5 Weeks	2250
Cosmetology Teacher Training (Full-Time Days, 32 hrs/wk)-1000 Hours	46.88 Weeks	1500
Cosmetology Teacher Training (Part-Time Days, 20 hrs/wk)-1000 Hours	75.00 Weeks	1500
Cosmetology Teacher Training (Part-Time Nights, 20 hrs/wk)-1000 Hours	75.00 Weeks	1500

Students who have not completed the course within the maximum timeframe and exceed it, may not continue as a student at the institution and will be dropped from the Cosmetology or Cosmetology Teacher program.

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled hours.

Leave of Absence (LOA) impact on maximum time frame: If a student takes an approved leave of absence, his or her expected graduation (enrollment agreement period) date and maximum time frame would be extended accordingly to the amount of days actually a student was on a Leave of Absence (LOA).

2. **ACADEMIC & ATTENDANCE EVALUATION PERIODS:** All students are notified by their instructor of their academic progress and attendance and will receive an Academic Review monthly and a Satisfactory Academic Progress Evaluation at the end of each period. If the student was absent during the monthly Academic Review and did not receive their review, the student is to request an Academic Review from the instructor. Cosmetology and Cosmetology Teacher Training student's attendance progress will be collected and recorded at the end of each calendar month of the student's period of enrollment. Students must have completed a minimum 66.67% of their total scheduled enrollment time (minus school holidays) and all students must achieve a 75% cumulative grade average for theory and practical work during the evaluation period for the student to be deemed maintaining satisfactory academic progress until the next scheduled evaluation.

VA Benefit Students Requirements:

Evaluation Time Frames: The Niles School of Cosmetology, in addition to the mandatory evaluation periods listed below, will evaluate veterans for attendance and grades at the end of each month for both approved Cosmetology and Cosmetology Teacher Programs.

Attendance Progress: A student must maintain a minimum of 75% attendance average each month in order to be considered making satisfactory progress. Any student absent for 14 consecutive days will be terminated from the GI Bill® program.

Academic Progress: The minimum grade point average (GPA) required for theory and practical combined, is 70%.

EVALUATION PERIODS:

Students are evaluated for Satisfactory Academic Progress (SAP) based on actual hours completed at the end of each period as follows:

Full-Time & Part-Time Cosmetology: 450, 900, 1200 actual clocked hours

Full-Time & Part-Time Cosmetology Teacher: 450, 900 actual clocked hours

Transfer Students: If the hours needed at the school are less than 900 hours, then the first evaluation period will occur at the mid-point of the hours needed rather than at 450.

Students who meet the minimum requirements for attendance and academic performance are considered to be making satisfactory academic progress until the next scheduled evaluation.

For all students, Satisfactory Academic Progress (SAP) for Cosmetology Full-Time and Part-time students will be evaluated at the end of each payment period for first year 0-450, 451-900 hour mark and for Full-Time and Part-Time students in the second year 901-1200, 1201-1500 hour mark, for disbursements of funds. Satisfactory Academic Progress for Cosmetology Teacher Full-Time and Part-Time students will be evaluated at the end of each payment period for first year 0-450, 451-900 hour mark and for Cosmetology Teacher Full-Time and Part-Time Students in the second year 901-1000 for disbursements of funds.

CHANGES IN ENROLLMENT LEVELS:

There are times when a student requires a change in their enrollment level (part-time to full-time or opposite). If there is a change in the student's enrollment status, then the student's SAP (Satisfactory Academic Progress) Evaluation period will be monitored at the appropriate levels of the student's new status. Cosmetology Full-Time and Part-time students will be evaluated at the end of each payment period for first year 0-450, 451-900 hour mark and for Full-Time and Part-Time students at the second year 901-1200, 1201-1500 hour mark, for disbursements of funds. Satisfactory Academic Progress for Cosmetology Teacher Full-Time and Part-Time students will be evaluated at the end of each payment period for first year 0-450, 451-900 hour mark and the second year 901-1000 for Full-Time and Part-Time, for disbursements of funds.

Cosmetology Full-Time and Part-Time will have earned their first academic year award (900 academic year Full-Time and Part-Time. For Cosmetology Full-Time and Part-time students (with a 900 academic year), their third and fourth aid payment will occur at the end of SAP at 900 for their 901-1200 hours and at the end of SAP 1200 for their 1201-1500 hours since they will have only 600 hours remaining in the program (901-1500).

Cosmetology Teacher Full-Time and Part-Time students will also have earned their first academic year award (900 academic year). Where it changes is in the second academic year for Full-Time and Part-Time since they will have been SAP Evaluated at 900 for their 901-1000 hours as they will have only 100 hours remaining in the program for disbursements of funds.

Students falling below either or both criteria will be placed on a financial aid warning. **During such financial aid warning, a student is eligible for financial aid and may continue to receive financial assistance until the next scheduled Satisfactory Academic Progress (SAP) evaluation checkpoint.** However, at the end of the financial aid warning, if the student has not satisfied

the requirements as specified above, financial aid assistance WILL BE WITHHELD. Students remain eligible for federal aid only if they are making satisfactory progress, are on financial aid warning, or are on financial aid probation (have submitted a successful appeal to a determination of unsatisfactory progress. Please see the Appeal Policy for more details). **If the institution's school officials see a student's consistent pattern of NO Satisfactory Progress and they have been on financial warning, the institution at its discretion, will cease from requesting ANY TITLE IV Aid and the student will be required to make monthly installments towards their student account balance until paid in full.**

The time frames to complete the Cosmetology course for the full-time students are 12 months, part-time day and night students are 19 months.

The time frames to complete the Cosmetology Teacher course for the full-time students are 8 months, part-time day and night students are 13 months.

Definitions. The following definitions apply to the terms used in this section:

Appeal. Appeal means a process by which a student who is not meeting the institution's satisfactory academic progress standards petitions the institution for reconsideration of the student's eligibility for title IV, HEA program assistance.

Financial aid probation. Financial aid probation means a status assigned by the institution to a student who fails to make satisfactory academic progress and who has appealed and has had eligibility for aid reinstated.

Financial aid warning. Financial aid warning means a status assigned to a student who fails to make satisfactory academic progress at the institution that evaluates academic progress at the end of each payment period. This status can be granted without appeal and will allow the student to remain eligible for aid for the subsequent period. A student may not be granted consecutive warning statuses.

Maximum time frame. Maximum time frame means a period that is no longer than 150 percent of the published length of the educational program, as measured by the cumulative number of clock hours the student is required to complete and expressed in calendar time.

3. **TO RE-ESTABLISH SATISFACTORY PROGRESS:** a student may appeal this decision in writing. The student may come to the student services office and obtain an appeal form to complete and then turn the completed form to the office. At that time, a school official will again review progress and render another decision taking into account any special circumstances and supporting documentation that would be helpful to the school committee in re-evaluation of the student's records. Students must have completed a minimum 66.67% of their total scheduled enrollment time (minus school holidays) and all students must achieve a 75% cumulative grade average for theory and practical work during the evaluation period for the student to be deemed maintaining satisfactory academic progress until the next scheduled evaluation.

4. **GRADING SYSTEM MINIMUM PRACTICAL WORK REQUIREMENT:** Cosmetology students possessing 480 hours or more but less than 1450 hours at the end of the month being evaluated are expected to complete a Minimum number of services in each of the seven areas described below:

<u>FULL-TIME</u>	<u>AREA</u>	<u>PART-TIME</u>
32	Hairstyling	16
8	Hair Cuts	4
8	Chemical Texture Services	4
8	Haircoloring/Lightening	4
4	Scalp Treatments	2
4	Facials/Arching/Makeup	2
4	Manicures/Ped./Nail App.	2

Students failing to meet the minimum number of services will have their grade average for the month calculated according to the minimum expected. Their grade will be lowered accordingly. Students are expected to meet the minimums and those who perform no practical work in any of the areas stated above will receive a grade of zero (0) in that area.

Cosmetology Teacher training students must successfully complete a minimum of the normal course work each month to maintain satisfactory progress. The Cosmetology Teacher training student must successfully complete the basic program. After completion of the basic program, the Cosmetology Teacher training student shall present theoretical and practical demonstrations to students in the basic curriculum under the on-site supervision of a licensed teacher, which is a minimum of

260 hours. After completion of the on-site supervision of a basic class, the Cosmetology Teacher training student shall complete a minimum of 150 hours in Application of Teaching Methods (Clinic). Cosmetology Teacher training students possessing 500 hours or more but less than 850 hours at the end of the month being evaluated are expected to complete a minimum number of services in each of the areas described below:

ON-SITE SUPERVISION:

<u>FULL-TIME</u>	<u>AREA</u>	<u>PART-TIME</u>
8	Appearance/Organizational Skills	4
8	Curriculum/Teaching Principles	4
12	Presentation	6
32	Practical Applications	16
4	Student Evaluation	2
4	Teaching Methods	2

DYNAMIC CLINIC (Application of Teaching Methods):

<u>FULL-TIME</u>	<u>AREA</u>	<u>PART-TIME</u>
16	Practical Skills Training	8
12	Building a Dynamic Clinic	6
32	Clinic Teaching	16
8	Cultivating Satisfied Clients	4

The minimum satisfactory grade average is described below:

THEORY AND PRACTICAL GRADES FOR ALL STUDENTS. Numerical grades are assigned for theoretical and practical work in all courses according to the following guide:

- 100% - 96% = EXCELLENT
- 95% - 91% = VERY GOOD
- 90% - 81% = GOOD
- 80% - 75% = SATISFACTORY
- 74% - 0% = UNSATISFACTORY

Students must maintain a minimum cumulative grade average of 75% in both theoretical and practical work in the period being evaluated to be considered maintaining satisfactory progress status. Theory grades are based on test averages. Practical grades are based upon criteria used to assess each of the service areas described above. The minimum passing score for LEVELS (MID-TERMS) & FINAL written and practical examinations is 85%.

MAKE-UP: Students who have missed work assignments, theory classes, or exam, etc., due to time missed MUST contact their instructor to schedule when the work missed will be made up or when alternate assignments may be completed. Depending upon how far the student has progressed through the course and the parts of the curriculum missed, make-up work (theory tests & practical work) must be completed by the next evaluation period. If the work is not made-up by that time, the student will receive a grade of zero (0) for the work missed, and the (0) must be factored into the grade average. All make-up practical and theory test grades will be lowered to the minimum passing grade of 75%.

STUDENT ACCESS TO SATISFACTORY ACADEMIC PROGRESS EVALUATION RESULTS

All students are notified by their instructor of their academic progress and attendance and will receive an Academic Review monthly and a Satisfactory Academic Progress Evaluation at the end of each period. If the student was absent during the monthly Academic Review and did not receive their review, the student is to request an Academic Review from the instructor. A copy of the Academic Review and Satisfactory Academic Progress Evaluation is turned into the student services office each month and kept in the student's file as part of their academic records.

DETERMINATION OF STATUS:

1. New students will be determined to be making satisfactory progress from their actual starting date until the conclusion of their first period of evaluation.
2. Current students who have met both academic and attendance requirements at the end of the evaluation period will be considered to be maintaining satisfactory progress until their next evaluation.

3. Current students who have not met either academic or attendance requirements shall be placed on **FINANCIAL AID WARNING** period. During a financial aid warning, a student is eligible for financial aid. However, at the end of the financial aid warning, if the student has not satisfied the requirements, the student shall be considered **NOT MAKING PROGRESS** and **ALL FINANCIAL AID ASSISTANCE WILL BE WITHHELD**. Financial Aid students will not be eligible to receive any financial aid if their percentages have not improved by their next scheduled evaluation mark. Students may regain progress status in attendance by achieving a cumulative attendance average of 66.67% of their scheduled enrollment time on a later attendance report. Students may regain progress status in academics by completing all incomplete and unsatisfactory work and achieving a cumulative of 75% minimum grade point on a later academic report.
4. Students on academic or attendance probation who have not met both academic or attendance requirements at the end of an evaluation period will be considered not making satisfactory progress. Such students lose eligibility for all financial aid unless they successfully appeal the determination or regain progress status. Students who are considered not making satisfactory progress may be terminated from the school. Students considered not making satisfactory progress might appeal that determination. However, the appeal must be in writing and must meet objective criteria demonstrating that mitigating circumstances apply. No more than one appeal may be granted during any one period of enrollment.
5. Students considered not making progress (whether returning from a temporary absence or who have remained enrolled) may regain maintaining progress status through an appeal, or by meeting the requirements at the end of any subsequent evaluation period. However, a student who has not met the requirements at the end of any evaluation period by the midpoint of the course, may not be considered to be maintaining satisfactory progress at any subsequent evaluation.
6. Students must meet both the attendance and academic progress requirements of at least one evaluation by midpoint of the course to be considered making satisfactory progress as of the midpoint of the course.
7. **Temporary Interruptions:** A student taking a leave of absence shall return with the same progress status the student had upon taking the leave.

STATUS OF PROBATION:

Students **WHO ARE NOT CONSIDERED** meeting minimum standards for satisfactory academic progress may be placed on a status of probation if they **meet these required elements:**

- a) The institution evaluates the student's progress and determines that the student did not make satisfactory academic progress during the warning or previous evaluation period; and
- b) The student prevails upon appeal of a negative progress determination prior to being placed on probation; and
- c) The institution determines that satisfactory academic progress standards can be met by the end of the subsequent evaluation period; or
- d) The institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student.

PROBATION:

Any student who fails to meet the published standards at the end of his/her "Warning" period is considered as not making satisfactory academic progress and is ineligible for further federal aid unless the student submits a written appeal in accordance with this policy as is granted "Probation" by the School. In the event the student submits a successful appeal and is granted probation, federal student aid eligibility will be reinstated for the subsequent evaluation period only. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation or the students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress during probation. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

PROBATION AND DISMISSAL (VA BENEFIT STUDENT REQUIREMENTS):

The Niles School of Cosmetology will place students failing to meet either the attendance or the academic progress requirements on probation for a period of one month.

The Niles School of Cosmetology will reevaluate a student's progress at the conclusion of the probationary period. If the Niles School of Cosmetology determines at this evaluation that the student is meeting both the attendance and academic progress requirements the student will no longer be on probation. Contrarily, if the Niles School of Cosmetology determines at this evaluation that the student is failing to meet either the attendance or academic progress requirements, the Niles School of Cosmetology will terminate the student from the GI Bill® program.

The Niles School of Cosmetology, however, may grant a second probationary period of one month if extenuating circumstances warrant such action. The Niles School of Cosmetology will reevaluate a student's progress at the conclusion of this second probationary period. If the Niles School of Cosmetology determines at this evaluation that the student is meeting both the attendance and academic progress requirements the student will no longer be on probation. Contrarily, if the Niles School of Cosmetology determines at this evaluation that the student is failing to meet either the attendance or academic progress requirements, the Niles School of Cosmetology will terminate the student from the GI Bill® program.

APPEALS:

Students who have been considered not making satisfactory academic progress must appeal that determination within two (2) weeks of receiving notice of that determination. The request for an appeal **MUST** be in writing, outlining the basis for the appeal, and append any third party documentation, which substantiates the reason for which the appeal may be granted. Such reasons may be based upon the death of a relative of the student; an injury or illness of the student; or other special circumstances. The written appeal must state the reasons why the student failed to make satisfactory academic progress, and what has changed in the student's situation that will allow the student to demonstrate satisfactory academic progress at the next evaluation. The written appeal must be given to the school manager, and a written notice of the school's decision will be given within two (2) weeks of receipt of the appeal. In all cases, the school's decision regarding the appeal is **FINAL**. The results of the appeal will be documented on the Evaluation Report and placed in the student's file with the reasons for the appeal, the facts and documents dealing with the appeal and the final decision based upon the validation of the facts provided by the student.

If the appeal is granted, the student will be placed on a FINANCIAL AID PROBATION period and considered making progress as of the first day of the evaluation period following the end of the evaluation period for which the student was considered not making progress. A student on financial aid probation may receive title IV, HEA program funds for one payment period. While a student is on financial aid probation, the institution may require the student to fulfill specific terms and conditions such as (but are not limited to) depending upon how far the student has progressed through the course and the parts of the curriculum missed, make-up work (theory tests & practical work). At the end of one payment period on financial aid probation, the student must meet the institution's satisfactory academic progress standards or meet the requirements of the academic plan developed by the institution and the student to qualify for further title IV, HEA program funds. The satisfactory academic progress standards are as follows: Students must have completed a minimum 66.67% of their total scheduled enrollment time (minus school holidays) and all students must achieve a 75% cumulative grade average for theory and practical work during the evaluation period for the student to be deemed maintaining satisfactory academic progress until the next scheduled evaluation.

A student on financial aid probation for a payment period may not receive title IV, HEA program funds for the subsequent payment period unless the student makes satisfactory academic progress by meeting the requirements at the end of the evaluation period. All students will receive an Academic Review monthly and a Satisfactory Academic Progress Evaluation at the end of each period and will be notified of their status.

LEAVE OF ABSENCE POLICY

A leave of absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during an ongoing program when a student is not in academic attendance. It does not include nonattendance for an institutionally scheduled break in a student's program. A leave of absence must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal requiring a school to perform a Return calculation.

In order for a leave of absence to qualify as an approved leave of absence:

1. A student may request a leave of absence not to exceed 60 days due to personal or family illness, pregnancy, military service, or other personal reasons.
2. A second leave of absence may not be granted within 12 months of the end of the first leave of absence.
3. All requests for leaves of absence must be submitted in writing, must be signed, and must be dated.
4. The student's application for a Leave of Absence (LOA) must include the reason for the student's leave request. If the student refuses to state the reason for requesting an LOA, their application will be denied. Also, the student cannot state the reason for the request is for personal reasons only, without explaining in detail the personal issue.
5. The student is required to apply in advance for a leave of absence unless unforeseen circumstances prevent the student from doing so (for example, injured in a car accident, etc.), the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident.
6. Obtain a Leave of Absence (LOA) application from your college office.
7. Complete and submit the Leave of Absence (LOA) application to the main office at the school for approval.
8. Upon the student's return, the student simply resumes or continues the same payment period and coursework and is not eligible for additional Title IV program assistance until the payment period has been completed and he/she has maintained Satisfactory Progress.
9. No Direct Loan funds will be released during the student's Leave of Absence (LOA).
10. A student who does not submit a Leave of Absence (LOA) to the main office will be considered an absentee.
11. If the student is (14) fourteen consecutive days absent, the student will be withdrawn from the course.

12. If a student takes an approved leave of absence, his or her expected graduation (enrollment agreement period) date and maximum time frame would be extended accordingly to the amount of days actually a student was on a Leave of Absence (LOA).
13. A student may request a Medical Leave of Absence only with written proof from a physician due to their own serious Health conditions (maximum time, including any other Leave of Absence cannot exceed 180 days within a (12) twelve month period; these provisions starts on the first day of the first leave).
 - a) “**Serious health condition**” means an illness, injury, impairment, or physical or mental condition that involves either:
 - Inpatient care (*i.e.*, an overnight stay) in a hospital, hospice, or residential medical-care facility, including any period of incapacity (*i.e.*, inability to work, attend school, or perform other regular daily activities) or subsequent treatment in connection with such inpatient care; **or**
 - Continuing treatment by a health care provider

INCOMPLETES, COURSE REPETITIONS AND NON-CREDIT REMEDIAL COURSES

Course incompletes, course repetitions, and non-credit remedial courses are not offered and have no effect upon a student’s satisfactory progress status. Students nearing graduation will be given the opportunity to repeat any work assignments, theory examinations, etc. for which a non-satisfactory grade was received during the enrollment.

WITHDRAWALS / RETURNING STUDENTS

A student who withdraws from the course after being dropped from a leave of absence or after a period of withdrawal and re-enters the institution in less than 180 calendar days from the date of interruption, shall return with the same academic and attendance progress status the student had upon their last day of attendance. A student who withdraws from the course and re-enters after 180 calendar days will need to sign a new enrollment agreement, pay any outstanding balance, and shall return with the same academic and attendance progress status the student had upon their last day of attendance.

TRANSFER HOURS

The transfer hours accepted from another institution are treated as both completed and attempted hours in the determination of the student’s pace of completion. The student’s attendance progress will be adjusted accordingly. The transferred hours will be added to the hours completed and the scheduled hours after the student’s first evaluation period. If the hours needed at the receiving institution are less than 900 hours (or the institution’s defined academic year), then the first evaluation period will occur at the mid-point of the hours needed rather than at 450.

RE-INSTATEMENT OF FINANCIAL AID

Students who have regained progress status will be determined by the financial aid office to have regained eligibility for financial aid for which they may otherwise be eligible. Students must have completed a minimum 66.67% of their total scheduled enrollment time (minus school holidays) and all students must achieve a 75% cumulative grade average for theory and practical work during the evaluation period for the student to be deemed maintaining satisfactory academic progress until the next scheduled evaluation.

NON-RESIDENT STUDENT POLICY

Non-resident students are only accepted on a cash basis. For them to apply for the Illinois State Board Licensing examination, the following types of identification will be the only ID accepted for the examination:

1. A valid US driver’s license or State ID issued by of the 50 states or US territories;
2. A valid Consular ID;
3. A valid US passport or Military Active duty ID;
4. **IF YOU DO NOT HAVE ANY ONE OF THESE FORMS OF ID, YOU WILL NOT BE ALLOWED TO SIT FOR THE EXAM.**

To obtain an Illinois cosmetology license, a social security number is required. While in school, a nine digit number is issued so practical and theory grades can be entered into our computers. **THE NINE DIGIT NUMBER IS NOT A SOCIAL SECURITY NUMBER. NON-RESIDENT STUDENTS ARE NOT ELIGIBLE TO RECEIVE FINANCIAL AID.**

POLICY STATEMENT ADDRESSING TIMELY WARNINGS

TIMELY WARNINGS

In the event that a situation arises, either on or off campus, that, in the judgment of the President, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued through staff members, and posted on the bulletin boards.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, a copy of the notice will be hand-out to students and staff members. Anyone with information warranting a timely warning should report the circumstances to the President, by phone (847) 965-8061 or in person.

POLICY STATEMENT ADDRESSING PREPARATION OF DISCLOSURE OF CRIME STATISTICS

With your permission, the President or a designee of Niles School of Cosmetology can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the College can keep accurate records of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

POLICY STATEMENT ADDRESSING SECURITY AND ACCESS

ACCESS POLICY

During business hours, the College will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to College facilities is by key, if issued. In the case of periods of extended closing, the College will admit only those with prior written approval to facilities.

Emergencies may necessitate changes or alterations to any posted schedules. Areas that are revealed as problematic have security surveys conducted of them. Administrators from the Dean's Office on concerned areas review these results. These surveys examine security issues such as landscaping, locks, alarms, lighting, and communications.

POLICY STATEMENT ADDRESSING THE ENCOURAGEMENT OF ACCURATE AND PROMPT CRIME REPORTING
GENERAL PROCEDURES FOR REPORTING A CRIME OR EMERGENCY

Community members, students, faculty, staff, and guests are encouraged to report all crimes and public safety related incidents to the Police Department in a timely manner.

POLICY STATEMENT ADDRESSING SECURITY AWARENESS PROGRAMS

SECURITY AWARENESS PROGRAMS

During orientation students are informed of services offered by the school, and are informed there are no security officers on campus. Video presentations outline ways to maintain personal safety. Students are told about crime on-campus and in surrounding neighborhoods. Similar information is presented to new employees.

Periodically during the academic year the The Niles Police Department, present crime prevention awareness sessions on sexual assault (rape and acquaintance rape), drugs, theft, and vandalism, as well as educational sessions on personal safety and campus security.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

In addition to seminars, information is disseminated to students and employees through crime prevention awareness packets, videos, and articles posted on bulletin boards.

When time is of the essence, information is released to the college community through security alerts posted prominently throughout campus, and in-class announcements.

POLICY STATEMENT ADDRESSING CRIME PREVENTION PROGRAMS

CRIME PREVENTION PROGRAMS

The Niles Police personnel facilitate programs for students, and new employee orientations providing a variety of educational strategies and tips on how to protect themselves from sexual assault, theft and other crimes. The Niles School of Cosmetology does not offer any Defense Training programs.

Tip: To enhance personal safety, and especially after an evening class, walk with friends or someone from class that you know well.

POLICY STATEMENT ADDRESSING CRIMINAL ACTIVITY OFF CAMPUS

The Niles School of Cosmetology does not have any off-campus student organizations.

POLICY STATEMENT ADDRESSING SEX OFFENSES

Niles School of Cosmetology is committed to providing and maintaining a healthy learning and working environment for all students, staff and faculty members. It is important that all students are aware of and protect their right in the College community. Please see the page that outlines *Student Rights within the disciplinary process*. The Niles School of Cosmetology condemns any form of sexual offense. This document is generally intended to set forth the procedures and disciplinary actions regarding sexual offenses.

Furthermore, it specifically sets forth the procedures that are encouraged to be considered by a person who may have experienced a sexual offense.

Niles School of Cosmetology will uniformly and consistently report all criminal sexual offenses occurring on campus and reported to Niles School to the proper municipal authority.

It is illegal and against the policy of Niles School of Cosmetology for any student, employee, or other person to commit the offense of stalking, sexual assault, aggravated sexual assault, sexual abuse, aggravated sexual abuse, against any person while on the Niles School of Cosmetology. Such illegal and prohibited activities include, but are not limited to, sex offenses which are commonly date rape or acquaintance rape, or which may involve unwanted touching and fondling, whether forcible or non-forcible.

SEXUAL ASSAULT PREVENTION AND RESPONSE

The College educates the student community about sexual assaults and date rape through orientations. The Niles Police Department offers sexual assault education and information programs to College Students and employees upon request. Literature on date rape education, risk reduction, and College response is available through the Main Office.

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Police Department strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a Police Officer. School personnel are available, at the student's request, to assist the student in reporting incidents to the appropriate law enforcement authorities. Any incident of sexual assault on the school premises should be immediately reported to the Main Office at (847) 965-8061.

College disciplinary proceedings, as well as special guidelines for cases involving sexual misconduct, are detailed in the *Student Handbook "Student Disciplinary Action"*. The *Handbook* provides, in part, that the accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. Both the victim and accused will

be informed of the outcome of the hearing. A student found guilty of violating the College sexual misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from the College for the first offense.

POLICY STATEMENT AND PROCEDURES REGARDING THE VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA)

A sex offense is any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent.

On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA) (Pub. Law 113-4), which, among other provisions, amended section 485 (f) of the Higher Education Act of 1965, as amended (HEA), otherwise known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). Under the Violence Against Women Reauthorization Act, colleges and universities are required to:

- Report domestic violence, dating violence, and stalking, beyond crime categories the Clery Act already mandates.
- Adopt certain student discipline procedures, such as for notifying purported victims of their rights; and
- Adopt certain institutional policies to address and prevent campus sexual violence, such as to train in particular respects pertinent institutional personnel.

As disclosed on the U.S. Department of Education Jeanne Clery Campus Safety and Security Report, the Niles School of Cosmetology has (0) zero sexual assaults reported to date. This may be attributed to our campus not offering campus housing and enrollments being predominantly female. However, the Niles School of Cosmetology has implemented programs from our local Niles Police Department to educate and serve our students. The policy for reporting sexual assault is described in our Annual Security Handbook. Additionally, further information can be found on our website, www.nilesbeautyschool.com under school info, then go down to disclosures, and you will see a link under the student's right-to-know-disclosures titled "campus security information." The campus security information is updated annually and made available to each student on October 1st. This report offers the campus sexual assault reports and crime statistics for three prior years.

The Clery Act requires that colleges and universities inform students of procedures that victims should follow, such as preservation of evidence and to whom the offenses should be reported. VAWA adds that institutional policies must also include information on:

- Victims' options to, or **NOT** to, notify and seek assistance from law enforcement and/or campus authorities.
- Victims' right and institutional responsibilities regarding judicial no-contract, restraining, and protective orders.

Preventative safety measures at Niles School of Cosmetology include timely scheduled presentations addressing sexual assault risk reduction, sexual assault education and reporting protocol, evidence preservation processes, stalking prevention (stalking is defined as conduct directed at a specific person that would cause a person to fear for his/her/other's safety, or suffer substantial emotional distress) domestic abuse, dating violence, acquaintance rape, etc. These issues are addressed at student orientation, as well as scheduled programs for all students throughout the calendar year. The dates of these educational events are posted prior to the presentation and announced to the students during their theory classes. The Student Services office keeps on file a schedule of programs, as well as a participant attendance roster. Other safety measures such as a policy of encouraging students to leave the campus property in groups and/or inform a school official or educator that they will be walking alone to their car, especially after dark. Complete literature on sexual assault risk reduction, date rape education, and the responsibility and reporting process can be directed to and available by informing the Student Services Director or the School Owner.

The Higher Education Act (HEA) defines the new crime categories of domestic violence, dating violence, and stalking in accordance with section 40002(a) of the Violence Against Woman Act of 1994 as follows:

"Domestic Violence" means a "felony or misdemeanor crime of violence committed by:

- A current or former spouse or intimate partner of the victim,
- A person with whom the victim shares a child in common,
- A person who is cohabitating with or has cohabited with the victim as a spouse or intimate partner,
- A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies (under VAWA), or
- Any other person against an adult or youth victim who is protected from that person's act under the domestic or family violence laws of the jurisdiction."

"Dating Violence" means "violence committed by a person:

- Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- Where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship;
- The type of relationship;
- The frequency of interaction between the persons involved in the relationship.”

“**Stalking**” means “engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- Fear for his or her safety or the safety of others; or
- Suffer substantial emotional distress.”

If you are a victim of a sexual assault, your first priority should be to get to a safe place. You should then obtain necessary medical treatment. The Niles Police Department or local Police Agency strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault, whether it occurs on or off campus, should be reported directly to the Niles School of Cosmetology School Owner and/or the Student Services Director. Filing a police report with the school will not obligate the victim to prosecute, nor will it subject the victim (either student or employee) to scrutiny, negative repercussion or judgmental opinions from the Niles School of Cosmetology. The Niles School of Cosmetology will help file a police report, if requested. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

Upon report of an alleged sex offense, the school will investigate immediately with the victim’s confidentiality respected. The specifics of the assault and the names of the victim and the offender will be kept confidential to the extent that maintaining such confidentiality would not impair the ability of the Niles School of Cosmetology to provide protective measures. The Niles School of Cosmetology has mandated protocol in place of reporting any and all sexual offenses to the School Owner or Student Services Director. The school will adhere to any legal sanctions or protective measures imposed as a result of a final determination of any sexual assault incidences. The Niles School of Cosmetology is also obligated to comply with a student’s request for an academic situation change following an alleged sex offense, which includes a change in schedule, protection and precautions that the alleged offender not be permitted to have contact with the victim through classes or clinic services.

As per VAWA, the Niles School of Cosmetology will ensure staff and school officials are provided with appropriate training on an annual basis.

Various counseling options are available from the Niles Police Department or Local Police. Counseling and support services can be obtained through the Rape and Sexual Abuse Center and the Victim Intervention Programs in the city of the Niles School of Cosmetology. See the Student Services or in this handbook for a listing of services and phone numbers. Information can also be found in our website at www.nilesbeautyschool.com under school info, then go to the drop down menu where it says Disclosures, then Campus Security Information. State-wide listings can be found also at the following website:

POLICY STATEMENT ADDRESSING SEX OFFENDER REGISTRATION

In accordance to the “Campus Sex Crimes Prevention Act” of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the Niles School of Cosmetology is providing a website to the “Illinois Sex Offender Information” and “National Sex Offender Public Registry”. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In the Commonwealth of Illinois, convicted sex offenders must register with the Sex Offender and Crimes Against Minors Registry maintained by the Department of State Police.

Illinois Compiled Statutes (730 ILCS 152/115 (a) and (b)) mandate that the Illinois State Police (“ISP”) establish and maintain a statewide Sex Offender Database, accessible on the Internet, identifying persons who have been convicted of certain sex offenses and/or crimes against children and must register as a Sex Offender.

Persons required to register as Sex Offenders are persons who have been charged of an offense listed in Illinois Compiled Statutes 730 ILCS 150/2(B) when such charge results in one of the following:

- (a) A conviction for the commission of the offense or attempt to commit the offense,
- (b) A finding of not guilty by reason of insanity of committing the offense or attempting to commit the offense, or

(c) A finding not resulting in an acquittal at a hearing for the alleged commission or attempted commission of the offense.

The Sex Offender Registry was created in response to the Illinois Legislature's determination to facilitate access to publicly available information about persons convicted of sex offenses. ISP has not considered or assessed the specific risk of re-offense with regard to any individual prior to his or her inclusion on this Registry and has made no determination that any individual included in the Registry is currently dangerous. Individuals included on the Registry are included solely by virtue of their conviction record and Illinois state law. The primary purpose of providing this information is to make the information easily available and accessible, not to warn about any specific individuals.

Anyone who uses this information to commit a criminal act against another person is subject to criminal prosecution.

The Illinois State Police is responsible for maintaining this registry. Follow the website below to access the Illinois State Police website. <http://www.isp.state.il.us/>

STUDENT DISCIPLINARY ACTION

Every attempt should be made to resolve conflicts without formal disciplinary action. This informal resolution can hopefully be accomplished by students critically examining their behaviors and making the adjustments necessary to become a positive influence in the school community. To assist in the informal resolution of conflicts, a formal Mediation Services program exists through the Main Office designed to allow students to resolve conflicts with the assistance of a neutral third party. Mediation is always an alternative available for students seeking to resolve conflicts yet do not replace a formal disciplinary process.

Should disciplinary action against a student become necessary because of a violation of a part of this code, it may be initiated by any of the following members of the Niles School community:

1. a Niles School of Cosmetology student, through the Main Office, who feels he/she has been adversely affected by another student's actions;
2. a faculty member who has reasonable cause to believe a violation of the Rules & Regulations has occurred; or
3. administrative staff members who have reasonable cause to believe a violation of the Rules & Regulations have occurred.

Complaints against student members of the school shall be made in writing by the complainant to the President.

Any student who violates these regulations and/or laws may be subject to disciplinary action for said offense (s) by the school in addition to any civil or criminal proceedings that may be brought. The school, in its sole discretion, may await the conclusion of any civil or criminal action associated with a complaint before proceeding with its disciplinary procedures.

The school's disciplinary process is designed to be educational, not legal, in nature. Students should not draw parallel interpretations between the codes of the school and criminal or civil law.

All written notices regarding disciplinary action will be delivered to the referred student personally or via the postal service at his/her last known address.

STUDENT GRIEVANCE PROCEDURE

The school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the school. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the school within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school manager.
3. The complaint will be review by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to the School President.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Management shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. Students must exhaust the schools internal complaint process before submitting the complaint to the school's accrediting agency: NACCAS, 3015 Colvin Street, Arlington, Virginia 22314, Phone: (703) 600-7600.

Summary of the Americans with Disabilities Act of 1990 (ADA)

ADA extends anti-discrimination legislation to all institutions of higher education regardless of whether or not the institution receives federal funds. The ADA provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local governmental services, and telecommunications. The act contains five titles; Titles II through V apply specifically to students who attend post-secondary educational institutions:

Title I

covers nondiscrimination in employment activities. It requires that employers not discriminate on the basis of disability in recruitment, hiring, retention, or promotion of employees. Employment opportunities must be made available when it can be shown that, with or without reasonable accommodations, the individual can successfully perform the essential functions of the job.

Title II

of the ADA is divided into two subparts. Subpart A requires that state and local government entities and programs be made accessible to individuals with disabilities. Subpart B covers transportation and requires that public transportation

systems be made fully accessible to and usable by individuals with disabilities.

Title III

covers the accessibility and availability of programs, goods and services provided by public and private entities. Although the Act uses the term "public accommodations," it is focused on the context of use by the public rather than operation by a public entity. By definition, a public accommodation can be privately owned, operated, and/or offered.

Title IV

requires that telecommunication services be made accessible to individuals with hearing and speech impairments and has a specific reference to the development of telecommunications relay systems and closed-captioned technology.

Title V

of the ADA contains miscellaneous provisions that apply to all of the other titles.

Disability Services

Niles School of Cosmetology is committed to providing a supportive environment for all students with disabilities who attend the College and will work with the students so they can receive reasonable accommodations for their disability. Students with disabilities must register with the Main Office in order to qualify for reasonable accommodations. Accommodations are determined on a case-by-case basis by considering the disability documentation provided by the student

The College does not have special admission criteria for students with disabilities; therefore, students with disabilities have met the same rigorous admissions standards that all Niles School of Cosmetology students have.

Depending on students' needs and limitations Disability Services may provide the following:

- Testing accommodations, such as extended time (50% additional time is the standard) and alternative test environment
- Materials in audio format
- Reader services
- Long exams administered in two parts
- Reduced-distraction test environment
- Other accommodations may be appropriate, but will only be implemented with instructor or departmental approval including (but not limited to) course substitutions or alternative ways of completing assignments (e.g., oral presentation versus a written paper)

To be eligible for disability-related services; students must have a visibly obvious or documented disability as defined by the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Vocational Rehabilitation Act of 1973. Under the ADA and Section 504, a person has a disability if he/she has a physical or mental impairment that substantially limits one or more major life activities such as walking, standing, seeing, speaking, hearing, learning, sitting, breathing, or taking care of oneself.

Since each student has different needs for accommodations, Niles School of Cosmetology requires that each student provide documentation that includes a diagnosis of his or her disability, defines the functional limitations he or she will experience in an academic environment, and describes appropriate academic accommodations. In order for decisions to be made regarding the appropriate accommodations for each student, documentation of the disability by a licensed professional that includes resulting limitations and recommended accommodations will be required.

Students seeking accommodations for learning disabilities must provide a diagnostic report. Diagnostic reports should include the following minimum requirements:

- A clear statement of the diagnosis
- Scores from the test administered
- Explanations of the appropriate academic accommodations
- Common Accommodations for Students
- Preferential seating (toward the front of the classroom)
- Note-takers
- Captions for films and videos
- Reduced-distraction test environments
- Recorded lectures
- Exam modifications
- Break information into small steps
- Use more than one way to demonstrate or explain information
- Provide study guides, review sheets, or practice test for exams
- Allow the use of spell-check and grammar-assistive devices
- Accessible classroom/location/furniture
- Conveniently located parking
- Extended time to complete a task
